Welcome to Foot & Ankle Associates of Maine. We sincerely appreciate you choosing our practice for your foot and ankle health. Enclosed please find your appointment card indicating the date and time of your appointment. If you are unable to keep this date and/or time, please call us at 207-725-4008 so we may reschedule your appointment. We will make every effort to accommodate your schedule.

Please be on time for your appointment to avoid being rescheduled.

## What to bring with you:

- Completed the Patient Information Sheet and Insurance Information Form (enclosed) in ink.
- Insurance card(s)

If you have not completed these forms prior to your visit, please arrive 15 minutes prior to your scheduled time to complete these forms. This will keep our schedule running smoothly and avoid encounter delays.

Please note, if you have “**managed care**” insurance (Cigna Healthcare, HMO, PrimeCare Medicaid, PPO, Choice, etc.): our doctors **may** participate with your insurance plan, and if so, our practice must adhere to the rules of that plan. Most managed care plans require you to obtain a referral from your Primary Care Physician (PCP) prior to seeing a specialist. *If you are uncertain as to the type of plan you have please call your insurance carrier for more information.* We ask that you call your PCP prior to your appointment to assure your referral has been made. IF we do **not** receive your referral by the time of your appointment, you will be asked to reschedule your appointment.

We recognize that our patients and their families may be stressed due to medical reasons and we will do all we can to assure your appointment runs smoothly and on time. However, as this is a surgical office, from time to time an urgent surgery disrupts our regular patient flow. If such an incident should occur, you will be kept informed of the status of your appointment.

We also ask that you please be prepared to pay your office visit co-pay (if any) at the time of your visit.

Please feel free to call with any questions, and once again, Welcome!

Sincerely,  
Foot and Ankle Associates of Maine, P.A.

## Patient Financial Policy

Your understanding of our financial policy is an essential element of your care and treatment. If you have any questions, please discuss them with our front office staff or supervisor.

- As our patient, you are responsible for all authorizations/referrals needed to seek treatment in this office.
- Unless other arrangements have been made in advance by you, or your health insurance carrier, payment for office services are due at the time of service. We will accept VISA, MasterCard, cash or check.
- Your insurance policy is a contract between you and your insurance company. As a courtesy, we will file your insurance claim for you if you assign the benefits to the doctor. In other words, you agree to have your insurance company pay the doctor directly.
- We have made prior arrangements with insurers and other health plans to accept an assignment of benefits. We will bill those plans with which we have an agreement and will only require you to pay the co-pay/co-insurance/deductible at the time of service.
- If you have insurance coverage with a plan with which we do not have a prior agreement, we will prepare and send the claim for you on an unassigned basis. This means your insurer will send the payment directly to you. Therefore, all charges for your care and treatment are due at the time of service.
- All health plans are not the same and do not cover the same services. In the event your health plan determines a service to be "not covered," or you do not have an authorization, you will be responsible for the complete charge. We will attempt to verify benefits for some specialized services; however, you remain responsible for charges to any service rendered. Patients are encouraged to contact their plans for clarification of benefits prior to services rendered.
- You must inform the office of all-insurance changes and authorization referral requirements. In the event the office is not informed, you will be responsible for any charges denied.
- For most services provided in the hospital, we will bill your health plan. Any balance due is your responsibility.
- There are certain elective surgical procedures that we require pre-payment. You will be informed in advance if your procedure is one of those. In the event, payment will be due one week prior to the surgery.
- Past due accounts are subject to collection proceedings. All fees including, but not limited to collection fees, attorney fees and court fees shall become your responsibility in addition to the balance due this office.
- There is a service fee for charts & x-rays retrieved from our medical storage facility. You will need to fill out a request form before we can retrieve medical records and x-rays. There is a service fee for duplication of medical records and completion of all medical forms.
- There is a service fee of \$25.00 for all returned checks. Your insurance company does not cover this fee.
